#### **Alphabets**

Urdu is written and read from Right to Left. Letter is called haraf and word is called as lafz. Haruf is the plural of haraf, whereas alfaz is the plural of lafz. There are total 37 letters in Urdu language.

## Instruction: Practice unorganized random lettering

#### **Diacritics**

Just as there are marks in Arabic, similarly there are marks in Urdu.

Zabar, Zer, Pesh are called movements. Read Zabar, Zer, Pesh quickly, don't pull even a little. Zabar mark is placed above the letter.

Our islamic apps Islamic Apps of Jabir Zer mark is used to show the mixing of "ي" under the letters.
